SGS

Certificate JP21/071691

The management system of

TDK Corporation

Sustainability Promotion HQ Safety and Environment Group 2-15-7 Higashiowada, Ichikawa-shi, Chiba-ken Japan

has been assessed and certified as meeting the requirements of

ISO 14001:2015

For the following activities

Research and development/design/manufacture of electronic components/materials

This certificate is valid from 23 December 2023 until 23 December 2026 and remains valid subject to satisfactory surveillance audits.

Issue 3. Certified since 25 June 2021

Organization certified since 5 September 2003 and first certified by SGS on 25 June 2021.

Certified activities performed by additional sites are listed on subsequent pages.
